Now it's time to "start the adventure" ...

I will explain very briefly ... How to USE THIS MATERIAL?

This MATERIAL is drafted and developed for groups of young people of Catholic Action, and for all parish youth groups, in general, who want to be introduced to the adventure of reflection on their vocation and missionary discipleship as young Christians, inside and out the Church, in the light of Christus Vivit.

The material contains, like Christus Vivit, nine chapters.

Each CHAPTER consists of THREE PARTS:

1. CONTENTS
2. Musical and visual RESOURCES for the THEME
3. DIALOGUE PROPOSAL for GROUPS

1. CONTENTS

Each theme of this text, "Young people in the light of Christus Vivit", includes the most representative ideas and inspirations of the corresponding chapter of the Christus Vivit Exhortation.

2. THEME RESOURCES

We offer some musical and visual proposals to make the chapter dynamic with young people's own resources, using examples of young people who try to bring into their lives some aspects of what has been discussed in the chapter.

There are two types of resources to make each proposed chapter dynamic:

- "What you need to see": Videos and witnesses

Pastoral tools that use videos and witnesses of young people living in line with what is discussed in each chapter.

- I'm all ears ": Musical resources

Songs in English and Spanish for meetings of groups of young people in our parishes, which help you to explore each theme in a dynamic way.

3. DIALOGUE PROPOSAL FOR YOUNG GROUPS

Meeting for groups: It is time to deepen the reflection on the chapter, proposing a group meeting, accessible and able to approach, with questions for dialogue between young people.

For this we will use the dynamic of the revision of life: See Judge and Act or as Pope Francis renamed it: Recognizing, Interpreting and Choosing.

IMPORTANT NOTE

At the end of each topic we offer a: Missionary Act - Choose : This is the last part of the chapter, where we invite the group of young people to take on a group commitment in a missionary key.

Young people must change the world by "walking together".

This material is undoubtedly a YOUNG, FULL OF LIFE and FULL of OPPORTUNITY proposal for the young people of Catholic Action to continue betting on changing the world following the example of Jesus Christ.

Young people...! Let's profit of this material! Let's profit of this proposal of young people for young people ... Let's live this adventure! LET'S BEGIN!
