

What are the priorities in this time of pandemic ?

Catholic Action & ŽAK Malta

- ▶ Sense of community and closeness : bringing youths and our youth groups together again, after such a long time of being away from each other.
- ▶ Continue the process of discernment in our organisations
- ▶ Exploring ways to make ŽAK a relevant choice for young people to join, in a way that reflects our mission while at the same time being in touch with the needs of these young people

- ▶ To be a concrete presence in the lives of those who lack even the most basic needs and increasing our young people's awareness of socio-political problems.
- ▶ European Solidarity Corps Project: 'Welcoming drop-in centre' for homelessness and destitute person in Malta with the name of 'Dar Pier Giorgio Frassati'.
- ▶ A project launched by The Catholic Action Malta's, social care branch, the Social Assistance Secretariat (SAS), together with volunteers and ESC Volunteers.
