LEAVING BABEL: OUR LANGUAGE SKILLS AT THE SERVICE OF THE INTERNATIONAL FORUM OF CATHOLIC ACTION

The online meetings are becoming an important tool in the IFCA life to be carefully prepared so that everyone can understand and participate.

Thanks to technology we have been able to verify the service of the simultaneous translation. This service requires the collaboration of those who can make their language skills available, with simplicity and in voluntary way

We ask you to signal your willingness to be involved in this service that we have offered until now thanks to a first group of friends for Italian, English and Spanish language. From a check we made of the first three meetings, the request for French also emerges.

As a working method until now we have requested the texts from all the speakers during the meeting at least two days before so that the translators have the translation available before the meeting, thus reducing the difficulty, bearing in mind that we are not professional translators but friends who make themselves available to promote better understanding and participation.

It is therefore a question of covering these translation channels that the ZOOM platform allows us:

1. Italian - English; 2. Italian - Spanish; 3. Italian - French; 4. English - Italian; 5. English - Spanish; 6. English - French; 7. Spanish - Italian; 8. Spanish - English; 9. Spanish - French; 10. French - Italian; 11. French - Spanish; 12. French - English

For which channels do you offer your availability?

We are waiting for your answer to this email address info@catholicactionforum.org and we will contact you!

Many thanks for your attention and cooperation

Maria Grazia Tibaldi - Secretary

The pandemic continues to cause deep wounds, exposing our vulnerability. (...) Renewed contact with the Gospel of faith, of hope and of love invites us to assume a creative and renewed spirit. In this way, we will be able to transform the roots of our physical, spiritual and social infirmities and the destructive practices that separate us from each other, threatening the human family and our planet.
