*May the Lord always give you the strength to bear witness to faith in Him, also through respectful and sincere dialogue with everyone.*

*May you keep hope alight! Be yourselves, for everyone, signs of hope, a presence that fosters words and gestures of peace, brotherhood, and respect. A presence that, in itself, invites reason, reconciliation, overcoming with good will the divisions and enmities stratified and hardened over time, which are becoming increasingly inextricable. Thank you for being the flame of hope where it seems to have been extinguished!*
