LATEST NEWS (from the countries and on the activities of the IFCA)

(...) there are few who are ready, on a daily basis, to labor in God's harvest, cultivating the seed of the Gospel in their own hearts in order then to share it in their families, places of work or study, their social contexts and with those in need.

To do this, we do not need too many theoretical ideas about pastoral plans. Instead, we need to pray to the Lord of the harvest. Priority must be given, then, to our relationship with the Lord and to cultivating our dialogue with him. In this way, he will make us his laborers and send us into the field of the world to bear witness to his Kingdom.
